2. Approval limits

All expense claims must be approved by the employee's line manager. Any single claim above GBP 750 also requires approval from the budget-holding Director. Claims above GBP 3,000 require CFO approval.

Claims must be submitted within 45 days of the expense being incurred. Late claims are rejected automatically unless the Finance Controller grants an exception.

The maximum nightly hotel rate, including taxes, is GBP 180 in London, GBP 120 elsewhere in the UK, EUR 160 in Amsterdam and INR 8,500 in Bangalore, Chennai or Mumbai. Bookings must be made through the corporate travel portal; bookings made elsewhere are only reimbursed up to the cap.

4. Meals and subsistence

Employees travelling overnight may claim up to GBP 40 per day for meals (EUR 45 in the Netherlands, INR 2,500 in India). Alcohol is not reimbursable except at approved client entertainment events.

5. Rail and air travel

Rail travel must be standard class for all journeys. Flights under six hours must be economy class; premium economy is allowed for flights over six hours.
